A Centre's guide to Certificate in the Requirements for Electrical Installations Level 3 (2382) on SmartScreen.co.uk

City & Guilds SmartScreen is our dedicated online portal, supporting over 140 qualifications. It currently boasts over 80,000 pages of content and resources for tutors and learners.

What does SmartScreen do?

SmartScreen currently offers over 80,000 pages of dedicated support materials for more than 140 City & Guilds qualifications.

How can SmartScreen.co.uk help me?

Our tutor forums are extremely popular. They are a fantastic way of accessing our resident expert Richard Woodcock (EV and writer for our Electrotech qualifications) which results in you having a constantly growing bank of questions and answers that we know has proven invaluable to many of you.

Due to their popularity and demand we have now produced support materials specific to the 2382-10 and 2382-20 qualifications.

The new 2382 qualification on SmartScreen offers two tutor forums (one for each complex) plus, it will have an exciting new forum for learners and some qualification info, FAQs and generic support.

These materials have been designed to support our corresponding Exam Success books (2382-10 and 20).

We are currently giving away a free copy of each of 2382 Exam Success books when you purchase this qualification on SmartScreen.
