How can SmartScreen help me?

The Entry Level 3 Award, Certificate and Diploma in Introduction to Vehicle Systems Maintenance (3902) is now live on smartScreen.

Units supported at Entry level 3:

001, 002, 003, 004, 005, 006, 007, 008, 009, 010 and 011

Entry Level 3 specific support:

- **Sample schemes of work** - view in conjunction with the standards set for the units to ensure that all outcomes have been covered. May be amended to suit your particular training facilities and suit the needs of individual learners.
- **Sample lesson plans** - designed to help save you time and can be adjusted and adapted to suit your individual delivery needs
- **Handouts and worksheets** - designed to help candidates review and implement what they have learnt during each unit. Can be used on a whiteboard or projector screen, downloaded to make changes and tailor to lessons, link to them from your VLE, print and use as handouts or for learners to complete Word versions in class or at home
- **PowerPoint Presentations** - in depth presentation on vehicle engine cooling systems plus more that can be used in the classroom.
- **Useful websites and recommended books.**

Other support materials include:

- Glossaries & FAQs
- Careers section with tips on increasing employability, application forms, covering letters and advice on CV writing and interviews.
- Learning styles information and Learning Styles Profiler
