What materials are available?

All the materials on SmartScreen have been designed to support tutors delivering and learners taking eEquals Certificate/Diploma/Advanced Diploma for IT Users, Diploma/Advanced Diploma in ICT Systems Support and Diploma for Software Developers. Some are based around the units, while others are provided to support the qualification as a whole.

In addition to the more general qualification support materials and material already available in the centre guide, we include the following support materials:

- Sample scheme of work
- Sample lesson plans
- Suggested activities
- Mock assignments
- Practice assignments to help you prepare learners for assessment (covered under IT Users qualifications)
- Individual learning plan
- Sample MCQs
- Handouts
- Worksheets
- Syllabus and revision guidance

Other support material includes:

- tutor forum
- 'at work' and 'study skills' section
- recommended resources
- career and funding advice, and case studies
- qualification information, overview and structure.

SmartScreen is constantly evolving with new content and services being added for tutors and learners throughout the lifespan of your subscription.
